OPINIONS OF THE PRESS.

"We look on this volume as a very considerable addition to our musical literature. Those who long for variety will find it here to their hearts' content."—*British Standard*, March 11, 1859.

"The collection is, although Supplementary, complete in itself; the composers have succeeded in combining chasteness of melody with effective harmony. The object of the work is praiseworthy,—the efficiency of its authors unquestionable."—*Weekly Times*, Dec. 19, 1858.

"The fact of the complete novelty of this collection of Sacred Music will, in the eyes of many people, be a sufficiently strong recommendation."—*Era*, Jan. 29, 1859.

"The composers of the tunes in this volume are too modest in their title-page; they do not profess to produce more than a Supplement to the other Tune-books which have held possession of our congregations for several years past. But the fact is, that the collection is complete in itself, and may therefore take the place of any work at present in use."—*Standard*, Dec. 21, 1858.

"The aim of the authors of this work has been, without departing from the solemnity proper to devotional music, to produce something more piquant and striking than the ordinary run of Psalm and Hymn Tunes: they have sought for variety and originality, and we think they have fully succeeded."—*Morning Herald*, Dec. 21, 1858.

PARTS I. & II., PRICE 2s. EACH, ARE NOW READY.

The unanimous opinion of musical judges having pronounced the Symphonies and Accompaniments of Sir John Stevenson, originally allied to the "Irish Melodies," both technically incorrect and characteristically inappropriate, the publisher has great pleasure in announcing that Mr. M. W. BALFE has re-arranged the whole of them expressly for this edition, which is also supplied with an explanatory and historical preface (which may be had gratis). With these advantages, combined with a careful revision both of the musical notes and the poetical text, and the whole of the words being set to the music, the publisher confidently recommends his edition of "Moore's Irish Melodies" to the public, as one that may challenge competition as the most perfect extant.

Just published, in One Volume, uniform with the above, price 16s.,
